Hennepin County Profile

Geography

Hennepin County was established by the territorial legislature of Minnesota in 1852, six years before Minnesota became a state.

The county is located within the Twin Cities Metropolitan Area. The upper Mississippi flows through Minneapolis and defines the northeastern boundary of the county. Minneapolis, the most populous city in Minnesota, is one of 45 municipalities within the county. The county encompasses 611 square miles with 200 lakes larger than 10 acres and numerous parks and trails providing recreational opportunities and community amenities to residents.

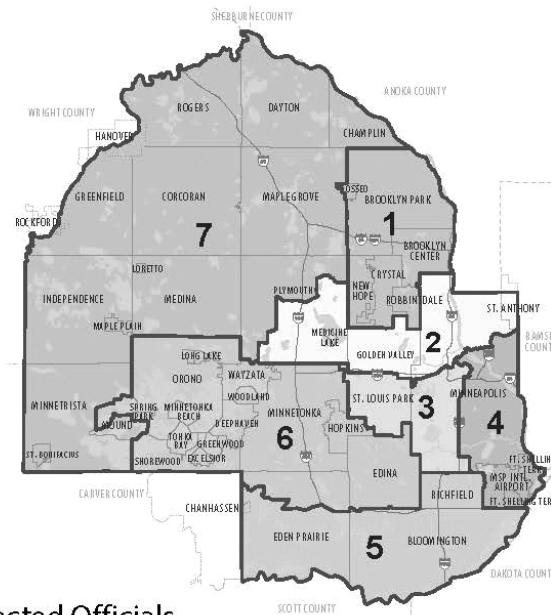

Government

Hennepin County is governed by a seven-member Board of Commissioners elected by district for staggered four-year terms. The County Attorney and Sheriff are also elected officials. County Commissioners are responsible, among other things, for authorizing resolutions, adopting the annual budget, appointing committees and hiring the County Administrator. The County

Administrator is responsible for carrying out the policies and resolutions of the Board of Commissioners, for overseeing the day-to-day operations of the county, and for appointing the heads of the county's departments. Hennepin County is the largest local government in Minnesota and has been rated among the best managed large counties by studies from Syracuse University and *Governing Magazine*.

MISSION/VISION STATEMENT OF HENNEPIN COUNTY

MISSION

The mission of Hennepin County is to enhance the health, safety and quality of life of our residents and communities in a respectful, efficient and fiscally responsible way.

VISION

We envision a future where residents are healthy and successful and where our communities are safe and vibrant. We will strive to meet and exceed expectations by engaging people and communities in developing innovative solutions to challenges. We will be a diverse, learning organization. We will partner with others to enhance the quality of life in Hennepin County and the region.

OVERARCHING GOALS

People are:

- **Healthy.** People are healthy, have access to quality health care and live in a clean environment.
- **Protected and Safe.** People are safe from harm through prevention, early intervention and treatment services, and through enhanced public safety.
- **Self-reliant.** People achieve success with the support of essential services, have access to affordable housing and opportunities for life-long learning.
- **Assured Due Process.** People are assured equal protection of the laws through an adversarial and respectful system designed to assure fairness and reliability in the ascertainment of liability, guilt and innocence.
- **Mobile.** People and goods move easily and safely throughout the county and the region, via an integrated system of transportation.

By putting the customer first, every Hennepin County employee will work every day to achieve our mission, vision and goals. We will strive to improve our services through proactive, innovative public stewardship.

HENNEPIN COUNTY

MINNESOTA

January 2, 2019

Board of County Commissioners
Hennepin County Government Center
Minneapolis, Minnesota 55487

Honorable Board Members:

I am submitting herewith the 2019 Capital Budget and the 2019-2023 Capital Improvement Program (CIP), as adopted by the County Board on December 11, 2018. The 2019 Capital Budget totals \$470,644,000 which is \$34 million higher than the \$437 million 2018 Capital Budget, as adjusted through June 2018.

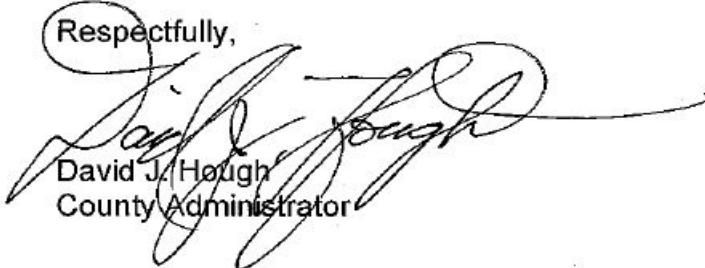

The 2019-2023 Capital Improvement Program totals \$1,850,872,398; approximately \$800 million higher than the \$1.1 billion five-year capital program that was approved last year.

The \$34 million increase in the 2019 capital budget is related to an additional \$100 million budgeted toward the Hennepin County share of the Southwest Light Rail Transit line. Similarly, the \$800 million increase in the 2019-2023 Capital Improvement Program compared to the prior year relates to the inclusion of the total county funding share of the Southwest Light Rail Transit and Bottineau Light Rail

Transit lines: \$593 million and \$530 million respectively, whereas the 2018-2022 Capital Improvement Program only included a 2018 budget component and did not yet include an out-year funding plan.

A report with recommendations from the Capital Budgeting Task Force is included in the section of the Capital Budget labeled "CBTF Report" (Section VII). I would like to express the county's appreciation to the members of the Capital Budgeting Task Force for their time and efforts in analyzing capital requests and making their recommendations.

Respectfully,

A handwritten signature in black ink, appearing to read "David J. Hough".

Hennepin County Debt Perspective 2019-2023

The debt management strategy of Hennepin County for 2019 through 2023 takes into account the need to borrow funds for completion of the Capital Improvement Plan as adopted by the County Board.

At the end of 2018, Hennepin County had \$1,058.1 million in general obligation (GO) outstanding debt. Of this amount, there was \$1,047.2 million of general obligation property tax levy-supported debt outstanding. Additionally, there was \$10.9 million of general obligation revenue-supported bonds outstanding. This amount consists entirely of the remaining principal amount outstanding on \$14.1 million of bonds issued on behalf of the Minnehaha Creek Watershed District, which are payable from that district's property tax levy.

The county is authorized by state statute to issue debt for general capital improvement projects as well as for a variety of other purposes, including libraries, solid waste facilities and capital equipment.

The total amount of debt that the county could potentially issue under its general capital improvement bonding authority (Minnesota Statutes 373.40, as described below) is approximately \$2.1 billion. This amount of bonding authority varies with changes in the taxable market value of property within the county. The county has approximately \$1,025.0 million in bonds currently outstanding under its general bonding authority. The current capital plan includes \$136 million of new debt issuance payable from property tax revenues in 2019.

In general, the county makes use of bonded indebtedness in accordance with these principles:

- 1) Debt is normally issued only for major projects with a county expense in excess of \$150,000;
- 2) Debt is not to be used for operating projects or those projects whose life expectancy does not exceed the maturity of the bonds;
- 3) The county balances debt issuance and current property taxes for capital projects to maintain consistent levels of tax burden; and

- 4) The county maintains its strong financial framework and Aaa/AAA/AAA bond ratings.

The summary of outstanding debt and the future requirements tables at the conclusion of this section summarizes the county's outstanding debt at the end of 2017 and 2018, and future debt service property tax levy requirements.

Summary of County's Major Debt Issuance Authorities

Overall Debt Limitation Calculation

The overall limitation on county general obligation debt is 3.0 percent of the taxable market value within the county. This calculates to a limit of over \$5.1 billion as contrasted with total outstanding debt of \$1,058.1 million. This limitation is very large in contrast to outstanding debt and anticipated debt.

The overall debt limitation is calculated as follows: taxable property market value times .03 = debt limitation. $\$171,429,665,521 \times .03 = \$5,142,889,966$.

Capital Improvement Bonds and Notes - M.S. Chapter 373

M.S. 373.40 in this chapter authorizes the county to issue bonds without referendum (unless petitioned by 5.0 percent of voters). This authority limits debt issuance to bonds for which the principal and interest of the bonds will not exceed 0.12 percent of the estimated market value of the county. Depending on interest rates and maturity structures, this would limit the county to issuing approximately \$2.1 billion of bonds. Currently, there are approximately \$1,025.0 million of bonds outstanding under this authority.

M.S. 373.40 Debt Limitation Calculation

Taxable market value times .0012 = maximum annual principal and interest. This results in: $\$171,429,665,521 \times .0012 = \$205,715,599$. The maximum principal and interest divided by \$97,500 (estimated debt service costs for \$1 million of debt assuming 5.5 percent for 15 years) produces an estimate of the amount of debt that can be issued under this authority. This amount is: \$205,715,599 divided by \$97,500

per million = \$2,109,903,580 of estimated debt authorization per M.S. 373.40.

Library Bonds - M.S. Section 383B.245

This statute authorizes the county to issue bonds for libraries without referendum. Prior to 2008, the county operated a library system outside of the City of Minneapolis. Effective January 1, 2008, the Minneapolis Public Library merged with the county library system and the applicable valuation pertaining to the debt limit is now countywide. This authority limits debt issuance to bonds for which the principal and interest of the bonds will not exceed .01612 percent of the taxable market value of property within the county. Assuming a 5.5 percent interest rate and 15-year maturity structure, it is estimated that the county could issue \$283.4 million of debt under this authority. The county has stopped utilizing this authority in recent years. Currently, there are \$27.5 million of bonds outstanding under this authority.

M.S. 383B.245 Debt Limitation Calculation

Taxable market value times .0001612 = maximum annual principal and interest. This results in: \$171,429,665,521 x .0001612 = \$27,634,462. The maximum principal and interest divided by \$97,500 per million (estimated debt service costs for \$1 million of debt assuming 5.5 percent for 15 years) produces an estimate of the amount of debt that can be issued under this authority. This amount is: \$27,634,462 divided by \$97,500 per million = \$283,430,379 of estimated Library debt authorization per M.S. 383B.245.

Solid Waste Bonds - M.S. 473.811

The county may, by resolution, issue general obligation bonds or revenue bonds to provide funds for various solid waste facilities or improvements. The county currently has no solid waste bonds outstanding. There is no limit as to the amount of these bonds. The only limits are the purpose for which the bond proceeds are spent and the overall debt limit. While the 2019-2023 capital plan anticipates completion of a number of capital projects in the environmental services area, it does not include any additional solid waste debt pursuant to this bonding authority at this time.

Ballpark Sales Tax Revenue Bonds - M.S. 473.757 and 475

The county received one-time authority in 2006 to issue a maximum of \$350 million of sales tax revenue bonds to fund a contribution towards

the construction and acquisition of a publicly-owned baseball stadium. Of the total \$341.8 million issued in 2007 and 2008, there is \$167.1 million outstanding as of December 31, 2018.

Transportation Sales Tax Bonds – M.S. 287A.993

The county is authorized, in conjunction with the Hennepin County Regional Railroad Authority acting under Minnesota Statutes, Section 398A.06-07 and Chapters 471 and 475, to issue revenue bonds payable from the proceeds of a 0.50 percent sales and use tax and a \$20 motor vehicle excise tax to provide funds for transportation-related purposes.

Capital Notes - M.S. 383B.117, subdivision 2

The county may issue general obligation capital notes to finance equipment acquisition. The principal amounts of the notes issued for any year cannot exceed 1.0 percent of that year's annual budget and these notes must mature within ten years. Pursuant to statute, the annual budget for Hennepin Healthcare System is added to the annual budget of the county in calculating this limitation. The county does not have current plans to issue any debt pursuant to this authority.

Watershed Management Capital Improvements Bonds under M.S. 103B.251 subdivision 7

The county has issued a total of \$14.1 million in bonds for the benefit of the Minnehaha Creek Watershed District, a separate taxing jurisdiction. As of December 31, 2018, \$10.9 million of those bonds were outstanding. The District must levy a tax sufficient to pay the debt service, but if it fails to do so, the county is obligated to pay the debt service. These bonds have maturities as long as 20 years.

The county has a variety of other bonding authorities but the above represents the most commonly used authorities. A full listing of all debt authorities is available in county bond official statements that are available by request from the Office of Budget and Finance.

The tables on the following page shows the outstanding debt of the county, the 2019 debt service levy and the future levy requirements needed to support the both the countywide and library outstanding debt.

OUTSTANDING DEBT

	OUTSTANDING as of 12/31/2017	OUTSTANDING as of 12/31/2018	2019 DEBT SERVICE LEVY
Property Tax-Supported General Obligation Bonds	\$913,920,000	\$1,047,170,000	\$90,400,000
General Obligation Revenue Bonds			
Minnehaha Creek Watershed District ⁽¹⁾	11,630,000	10,965,000	
Ballpark Sales Tax Revenue Bonds⁽²⁾	184,670,000	167,095,000
